

## Step-by-Step Guide: How to Sign Up to EasyPDee

This guide will walk you through how to sign up to EasyPDee as a Learner or an Earner.

**Sign up through [www.easypdee.com](http://www.easypdee.com) or download the App from the Apple App Store or Google Play Store.**

### Signing Up as a Learner

You can sign up using your mobile phone or laptop/desktop computer.

#### Option 1: Sign Up via the App (Mobile)

- Download the EasyPDee app from your app store:  
Apple App Store (Insert Apple link here)  
Google Play Store (Insert Google link here)
- Open the app.
- Enter your details and follow the prompts to create your account.

Here, you can browse the library of one-hour sessions, purchase and download them directly to your device, and play them at your convenience, even offline.

#### Option 2: Sign Up via Laptop/Desktop

- Visit [www.easypdee.com](http://www.easypdee.com)
- Click the “Start Learning” button in the top right-hand corner.
- Enter your details to set up your account.

All sessions can be accessed and downloaded on both phone and laptop for flexible, offline learning.

## Signing Up as an Earner

If you would like to upload content and share your expertise with peers, you can register as an Earner.

Visit [www.easypdee.com](http://www.easypdee.com)

On the main menu bar at the top of the homepage, click “Earner Sign Up” and follow the prompts to enter your details.

### Important Requirement:

During the sign-up process, you must:

- Enter your accreditation number
- Upload a supporting document (e.g., certificate)

This ensures that all content available on EasyPDDee is created by qualified professionals.

## Affiliate Code

Once you've signed up to EasyPDDee, you'll be able to access your affiliate link within your profile. From there, you can share your unique code with peers or collaborators and earn commission on any purchases made using your affiliate code
